Re: Hee Soon Wi vs. Ji Hun Jung, et. al.
Index No.: 12-CV-02170

Dear Judge Forrest:

We have been retained as counsel for the Plaintiff and have filed a Notice of Appearance with the Court this morning. We respectfully request an extension of time until September 19, 2012 to file opposition to defendants' motion to dismiss the complaint, or in the alternative, compel arbitration. The motion is returnable August 7, 2012. This is a complex matter and we will need time to thoroughly familiarize ourselves with this matter before preparing the opposition. This is our first request or an extension.

We informed counsel for the defendants of our request for an extension of time, and our intention to communicate with the Court, and they advise they will neither oppose nor consent to the request.

Thank you for attention to the foregoing.

Denied. Plaintiff should have been prepared since he is the plaintiff. Extension only to 8/13/12.

K. B. Forrest
